

## House Resolution No.

**Whereas**, Community Support Services is commemorating the resplendent occasion of its Twenty-fifth Anniversary; and

**Whereas**, Community Support Services from its inception has striven to provide individualized support services for persons with developmental disabilities and their families by enhancing opportunities for growth, productivity, and independence; and

**Whereas**, important programs and services provided by Community Support Services include the Growing Opportunities and Life Skills programs, Independent Supported Living programs, Summer programs, Transportation, First Steps, Day programming, Group Homes, and Community Advocacy and support programs; and

**Whereas**, the members of the Community Support Services Board of Directors deserve praise, recognition, and congratulations for their meritorious efforts and uncommon commitment to advancing the cause of serving local citizens with developmental disabilities; and

**Whereas**, it is most fitting that this legislative body should honor the members of the Community Services Board, an extraordinary group which includes Robert Bruckner, President; Jon Tupper, Vice President; Marsha Wallace, Secretary; and Nancy Good, Treasurer; and

**Whereas**, these compassionate individuals dedicate their time, talent, and effort so that Missourians who are unable to live independently are given the opportunity to live life to the fullest in the least restrictive environment possible while pursuing fulfilling daily activities that most of us take for granted:

**Now, therefore, be it resolved** that we, the members of the Missouri House of Representatives, Ninety-second General Assembly, unanimously join in expressing our most sincere appreciation to Community Support Services board members for their dedicated service and in extending our most hearty congratulations and best wishes as they begin their twenty-fifth year of meeting the many challenges which come their way; and

**Be it further resolved** that the Chief Clerk of the Missouri House of Representatives be instructed to prepare a properly inscribed copy of this resolution for the Community Support Services Board.
